

The Company :

Balvi Industrial Corporation was established in 2012. It is a specialized company in manufacturing heavy-duty automobile components, machine tool components, and pipe fittings and pumps. We supply our products to many valuable companies in India.

About Product :

Automobile Components- Automobile components are essential parts that make up vehicles, ensuring their functionality, safety, and performance. These components range from engines and transmissions to brakes and electrical systems, playing a crucial role in the overall design and efficiency of automobiles.

Machine Tools Components- Machine tool components are vital parts that enable precision machining and manufacturing processes, ensuring accuracy and efficiency. These components include gears, bearings, and spindles, which work together to produce high-quality finished products in various industries.

Pipe fittings and pump space- Pipe fittings and pump systems are critical for fluid transport and management in various applications, ensuring secure and efficient connections. These components include Sockets and flanges, playing a key role in maintaining flow and pressure in plumbing and industrial systems.

AUTOMOBILE COMPONENTS

Bush

Hub Lock Nut

Upper Lower Washer

RINGS :-

Spacer Table Shaft

Spacer Oil Sling

Spacer RI Shaft

Muff Ring

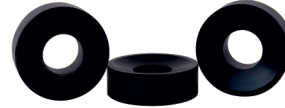

MACHINE TOOLS COMPONENTS

Leveling Screw

Foundation Bolt

Leveling Washer

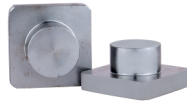

Chain Sprocket

Middle Spacer

Shaft Ball

Tool Disk Plug

Out Centering Ring

Bearing Cover

NUT :-

Leveling Nut

Drawbar Nut

Lock Nut 1

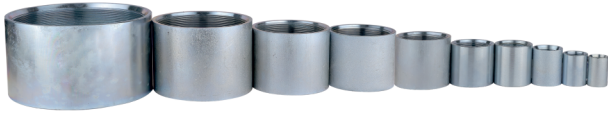

Lock Nut 2

PIPE FITTING AND PUMP SPACE

SOCKET :-

Galvanized Socket

Black Socket

SPECIFICATION :-

Standard: IS 1239 PT 2 & BS 21:1985 **Sizes** : 1/2" to 6"

Standard: ASTM A865 **Sizes** : 1/2" to 12"

Thread Quality : CNC Machining

Steel Grade : Specified by standard

Zinc Coating : Specified by standard

Tensile Strength : 320/450 MPA

Hardness : 100/140 VPN

Material : Welded/Seamless

PIPE FITTING AND PUMP SPACE

FLANGES :-

Plate Flange

Conical Flange

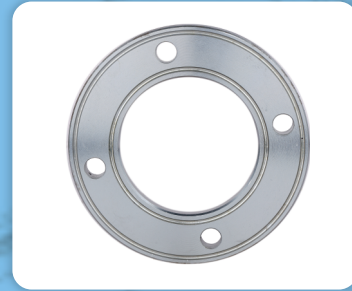

Plate Flange

Cable Slot Flange

Plate Flange

Spindle 1

Spindle 2

MACHINING PROCESSES

CUTTING

SHOT BLASTING

HEAT TREATMENT

PLATING

FORGING

MACHINING (CNC/VMC)

GALVANIZING

BLACKENING
